MOTION BY SUPERVISOR DON KNABE

January 20, 2004

The March of Dimes will hold its 34<sup>th</sup> annual WalkAmerica event on Saturday, April 24, 2004. Each year, County employees voluntarily participate in this special event to help raise valuable funds needed to prevent birth defects and reduce infant mortality. In 2003, County of Los Angeles employees, in their 19<sup>th</sup> year of WalkAmerica, raised over \$338,000 to help fund needed education, research and programs, which target delivery of enhanced prenatal health care.

**I, THEREFORE, MOVE** that the Board of Supervisors proclaim Saturday, April 24, 2004 as "WalkAmerica Day" throughout the County of Los Angeles and instruct the Chief Administrative Office and Internal Services Department to provide necessary support. All employees are encouraged to voluntarily support this worthwhile March of Dimes event and participate in the 2004 WalkAmerica at Griffith Park.
